

Open Door MCC

Open Door is Impacting Need in Montgomery County

As this Sunday is the second Sunday of the month, all food pantry donations will be shared with the county program, Upper Western Montgomery HELP.

WUMCO Help, Inc. is a not-for-profit corporation whose mission is to provide quick and friendly assistance to needy persons in Western Upper Montgomery County (Poolesville, Barnesville, Beallsville, Boyds, Dickerson and surrounding areas) in times of crisis. It provides emergency help with rent and mortgage, medical expenses, utilities, car repairs, transportation, prescription medicine and limited childcare subsidies. It operates a holiday basket and toy program in the area. It also coordinates a paratransit type bus service for seniors and disabled in the area.

Please be especially careful to place your pantry donation in the basket at the front door so it can be added to the good work at HELP.
